

# Indonesia-Japan Joint Scientific Symposium 2004

October 20-22, 2004

Keyaki Kaikan, Chiba University

Website <http://www.ap.tu.chiba-u.jp/IJJSS04/Home.htm>

---

**First symposium between the Indonesian and Japanese researchers to share the knowledge and exchange the latest information in the fields of science and technology, to build strong research networks and to strengthen cooperation between both countries in the future.**

## Special Plenary Session:

Since the University level agreement between University of Indonesia and Chiba University in 1997, many students and researchers from both universities exchanged information and ideas in various fields of science and technology in the last decade. Two speakers will give special plenary lectures on the current state and the future of Indonesian and Japanese university collaboration.

### Prof. Dr. Zuhai

*Faculty of Engineering, University of Indonesia  
(Former Indonesian Minister of Research and Technology)*

and

### Prof. Dr. Shin Shimakura

*Dean Graduate School of Science and Technology  
Chiba University*

## Topics of the Symposium:

**Laser and its applications, Optical fiber communications, Signal processing, Image science, Pattern Recognition, Vision, Soft-computing, Environment Chemistry, Nanotechnology, Information & Communication Technology, Biomedical Engineering, Remote Sensing and GIS  
Other advanced scientific fields**

**Access our website, and submit your papers' abstract  
before June 30, 2004**

**Organized and Sponsored by:**  
Chiba University and  
University of Indonesia

**Contact Addresses:**

**Supported by:**  
The Embassy of the Republic of Indonesia  
Chiba Convention Bureau and International Center

### Prof. Dr. Kazuhiko Ohnuma

Faculty of Engineering, Chiba University, 1-33, Yayoi-cho, Inage-ku, Chiba, 263 - 8522 Japan,  
Phone: +81 43 290 3259, Fax: +81 43 290 3270, email: [oonuma@faculty.chiba-u.jp](mailto:oonuma@faculty.chiba-u.jp)

### Prof. Dr. Sar Sardy

Faculty of Engineering, University of Indonesia, Jalan Salemba Raya No. 4, Jakarta Pusat 10430 Indonesia,  
Phone: +62 21 31930188, Fax: +62 21 3918115, emails: [spsopto@bit.net.id](mailto:spsopto@bit.net.id) or [ssardy@rad.net.id](mailto:ssardy@rad.net.id)
